Bedside Manor

- CW 35 Bedside Manor non folding, cradle Size mini portable/compact sized wood crib. Assembly required
- Pediatricians recommend that new babies sleep on the same room as the parents, but not in the same bed!
- Two convenient mattress height positions make it easier to reach an infant.
- This cozy cradle in our 4 available finishes (white, pecan, cherry, and gray) not only works great for newborns but converts to a non-full size crib to provide 12 months of service.
- Includes a firm 18"x 36"x 2" mattress that meets federal flammability standards 16 CF 1633 and provides comfort to baby and support for developing spines.
- Swivel casters allow The Bedside Manor to easily move from room to room.
- Remove the casters and you now have a rocking cradle that can entertain or help baby fall asleep. Low profile allows easy access to your baby, no matter what the mattress height is set at with this fixed side design
- The Bedside Manor meets CPSC standard 1220 for NON full size cribs as the mattress support can be adjusted to the bottom of cradle.
