

Clay Wedging Table

Mobile Clay Cart

Ceramic Work Center

PRODUCT

Ceramic Series

DESCRIPTION

CLAY WEDGING TABLE: Made of solid maple apron and legs, but the real feature is the top. The top is a 1-1/4" ChemGuard covered with a canvas. The wedging table's canvas top is held on with Velcro making it easy to remove, clean and reattach. The top also has an adjustable clay cutter wire mounted to the top and angled.

MOBILE CLAY CART: Sturdily constructed of maple plywood, this clay cart will provide years of service. The inside has a removable liner; top is fitted with piano hinge, and recessed pull. The top can remain open while class is in session. Made to roll easily on casters.

CERAMIC WORK CENTER: work center can be used against a wall or as an island. The unit includes two base cabinets made of maple plywood and solid maple hardwoods finished in an earth-friendly UV finish. One locking door cabinet and a drawer cabinet with three dovetailed drawers which lock. Comes with our mobile clay cart (C-38). The center is completed with a 1-1/4" almond colored plastic laminate top.
